The Dormition of the Mother of God

Doxastikon

Verily, the clouds, O Theotokos, Mother of Life, at thy death-free falling asleep, caught up the Apostles into the sky; and after they were all dispersed throughout the world gathered them into one rank beside thy pure body, which, when they had reverently laid it away, they sang with the tone of Gabriel, saying, Rejoice, O full of grace, the unwedded virgin Mother, the Lord be with thee. With them, therefore, beseech thou Him, for He is thy Son and our God, to save our souls.

***Bring your basket
and join the
community picnic
after Sunday's
festal liturgy!***
